

■ CULTURE

Goal: For students to understand that culture holds specific expectations for their behavior & that there is great pressure to conform to those expectations.

Read this:

According to Wikipedia, “Culture” is “The set of shared attitudes, values, goals, and practices that characterizes an institution, organization or group.”

Compare cultures in a few different nations (ex, United States, Japan, Kenya, etc.)

How does Culture influence:

- National Identity?
- Personal Identity?
- Young, healthy male?
- Family Identity?
- Public Identity?
- Global Identity?
- Person with disabilities?
- Woman?
- Teen pregnancy?
- Criminal?
